Media Release: Fehrltorf, 23 January 2020

The high growth rates of the first nine months continued into the final quarter of 2019 and helped achieve 8% sales growth for the whole year. The strong sales performance allows management to expect significant growth of EBITDA although this growth is also supported by the change in account-

ing rules related to leasing (IFRS 16). ASSA ABLOY is still expecting the transaction between the majority owners of agta record and ASSA ABLOY, announced on 6 March 2019, to close in early 2020.
