

Better performance than expected

Media release: Fehrltorf, 5 September 2012

First half-year 2012

The Board of Directors of agta record approved the consolidated financial statements for the first six months of 2012 on 3 September 2012 based on a review by its auditors (KPMG).

During the first six months of 2012, product sales grew 7.4%. The gross margin benefited from a strong performance in maintenance sales (+10.3%) and increased sourcing in Asia. Personnel expenses were well under control despite a higher than expected use of external labour.

The impact of exchange rate movements was limited as the Swiss Franc was staying on an elevated level.

The gearing improved to -18.1% based on EUR 37.6m of liquidity and EUR 9.3m of interest-bearing debt.

In the second half of 2012, growth is likely

to be less strong. Our expectations for operational profit remain unchanged.

Hubert Jouffroy, Chairman of the Board, phone +33 6 07 44 56 12, and Stefan Riva, CEO, phone +41 44 954 92 89, are available to answer questions on 6 September.
