

2017 sales growth of more than 4% to EUR 367 million in line with expectations

Media Release: Fehraltorf, 25 January 2018

Consolidated sales 2017 (January 1 through December 31, 2017)

in EUR million	2017	2016	Change
Total 12 months	367,1	351,9	+ 4,3 %
12 months sales at constant exchange rates	371,6	351,9	+ 5,6 %

The maintenance and service business contributed with growth of more than 3%, which happened on top of high growth in 2016, to overall sales growth and achieved sales of EUR 146.8 million in 2017. The weakness of the British Pound and to a smaller extent of the Swiss Franc (especially towards the end of the year) reduced 2017 total sales by EUR 4.5 million.

Profitability is expected to increase proportionately and according to plan, with additional improvement potential in France and the UK. The restructuring efforts of the past and additional benefits from the supply chain contributed to margin increases in 2017.
